Website: www.clearvucanada.com

Business: Let Clear Vu Thermal Pane Restoration solve your window condensation problems at a fraction of the cost of common window replacement methods. Our patented Canadian-designed process restores your failed windows by removing built-up condensation and recovering the insulating R-Value. Call us today for a free estimate.

Employees: 4

Opening Date: Nov. 10, 2004

Jenelle Schneider, Calgary Herald

Clear Vu Thermal Pane technicians Adrian, front, and Graham Ring, back right, can remove condensation from between panes of glass. Clear Vu is owned by Alan Ring, back left.
